How to Design a Digital Ecosystem that Works The Tech

HISD required their systems developers to conform to the IMS Global standards and in today s competitive edtech landscape, they were able to find technology partners that were willing and able to support this. Now the Energy Institute s course content, assignments, and study tools are all accessible through a single centralized portal. Students and teachers can tap into this portal through any of the schools smart TVs, interactive whiteboards, or computers.

Houston ISD HISD Teacher Glassdoor

The workbooks placed in the class rooms should be for the teachers to use, or replaced with books of problems the district and principal will allow students to work for practice. Most teachers take materials and fit them to their students, give them something to work with. Teachers should not spend their time finding and printing curriculum weekly.
