Language policy and nation building in post apartheid

In the post-apartheid era, much has been made of the government's official policy commitment to promote 'nation-building' through the institutionalisation of genuinely multilingual practices in public life. In reality, though, public life in present-day South Africa is notable for its increasingly monolingual-English character. This contradiction between official policy and actual linguistic

The politics of language planning in post apartheid South

The politics of language planning in post-apartheid South Africa Neville Alexander University of Cape Town There is no politically neutral theory of language planning, in spite of the fact that the power elites tend only to examine language policy under conditions of crisis. In South Africa, language planning was associated with the discredited racist social engineering of the apartheid
