### **The Food Revolution How Your Diet Can Help Save Your Life**

The Food Revolution is an incredibly important book. While I've read much of the content in other books, it is succinct and brings that information into an well-researched book. While I believe that the book is very much about adopting a vegetarian diet, it also shines a light on the dangers of Genetically Modified food, which veganism / vegetarianism will not solve alone. We must be intentional about the food that we eat.
